1913, THE HOUSE BIRTH YEAR

Initiated by his father, a renowned cellar master, Georges Frederic Duntze, at the head of several houses, created Champagne Duntze in Reims in 1913.

In an effort to pay tribute to his ancestors, to the know-how of Champagne and to his land, Victor Duntze perpetuates the production of very high standard vintages as well as confidential vintages intended for demanding and curious wine lovers.

TO REVEAL THE TERROIRS OF CHAMPAGNE

At the birth of a Duntze champagne, there is first of all the search for an emotion.

The house is attached to the typical qualities of the grapes and makes every effort to sublimate the generosity of their nature.

This gives rise to champagnes that are both racy and spontaneous.

Maison Duntze has developed two winemaking approaches:

The first, through its "Legend" range, is rooted in the purest tradition of Champagne, in balanced and timeless wines.

The second, with the "Grands Terroirs" cuvées, pays tribute to the nobility of the combination of grape varieties and soil in precise and distinctive wines.

THE SAVOIR-FAIRE

The house is keen to cultivate long-lasting and quality relationships with each winemaker, who is considered a true partner whose contribution is complementary to that of the house vineyard located in the Côte des Bar and in the Côte des Blancs.

Strong bonds have been built between the winemakers and the family over time.

The vinifications are made without compromise, in a precise way with the aim of preserving the fruit and the character of its origin.

Typical and spontaneous, each cuvée is the exact reflection of the best that its original terroir has to offer.
